Wrap-up PPA Academy

WHICH ACADEMY IS A GOOD FIT FOR YOU?

PPA ACADEMY: FOUNDATIONS

This academy is for you, if you are:

- New to the post-subsidy renewable world and interested in understanding Power Purchase Agreements (PPAs)
- Soon going to have assets out of the support scheme and need to start doing PPAs without subsidy
- Embarking on a new role but don't fully understand renewable energy deals

One half-day (4 hours)

€650 + VAT (online)

PPA ACADEMY: ADVANCED

This academy is for you, if you:

- Have some knowledge of energy trading and would like to skill up and master the structuring, negotiation and closing of PPAs in post-subsidy renewable markets
- Have been involved in PPA activity and would like to take your knowledge to the next level

Two half-days (each 4 hours)

€1950 + VAT (online)

ENERGY RISK MANAGEMENT (ERM) ACADEMY

This academy is for you, if you are:

- Tasked to report on risk and revenue operations for renewable investors and producers
- Responsible for risk monitoring and building risk management capabilities in your organisation
- In senior management and looking to master risk to be better prepared for market volatility

Two half-days (each 4 hours)

€1950 + VAT (online)
