

PPA ACADEMY ADVANCED

Online

Become an expert at constructing and executing PPAs

+1700 Professionals
+380 Companies
+100 Academies

Utilities, investors, lenders,
oems, producers, corporates
and project developers

This Advanced PPA Academy is designed for transaction manager, energy analyst, structurer, trader or lawyer who want to skill up and master the structuring, negotiation and closing of PPAs in post-subsidy renewable markets.

Priority will be given to people **who have completed our PPA foundations course** or those **who have already worked in PPAs** as developer, IPP, investment, fund, asset management, trader, utility, corporate and bank. We may not be able to accommodate everyone who has registered. In an event of oversubscription, we will inform you and your registration will be fully refunded.

Is this level too advanced for you?

Register for our **Foundations and Advanced** courses in our **Masterclass programme** and receive a 10% discount!

Our PPA Masterclass Programme includes:

- 1 x PPA Academy: Foundations *online*
- 1 x PPA Academy: Advanced *online*
or 1 X PPA Academy: Advanced + Energy Storage *onsite*

This is a unique opportunity for anyone who is interested in understanding in-depth Power Purchase Agreements (PPAs) and mastering the structuring, negotiation and closing of PPAs in post-subsidy renewable markets.

Graduates of our **PPA Masterclass Programme** will have an in-depth understanding of how to structure, negotiate, and close a PPA as well as the knowledge of corporate price assumptions and how to participate and optimise on tendering platforms to secure the best revenue to risk ratio in post-subsidy renewable markets.
